

## *RCA Statement of Mission & Vision*

The Reformed Church in America is a fellowship of congregations called by God and empowered by the Holy Spirit to be the very presence of Jesus Christ in the world.

Our shared task is to equip congregations for ministry - a thousand churches in a million ways doing one thing - following Christ in mission, in a lost and broken world so loved by God.

## *Classis of Central California Statement of Mission & Purpose*

The Classis of Central California exists as a regional body of Reformed Church in America congregations for the purpose of bringing glory to God through the ministry of oversight, relationship building, planting new churches, and enabling growth among its member churches, enrolled ministers, candidates under care, and specialized ministries.

Working in mutual dependence with its parent bodies, the Regional Synod of the Far West and the General Synod of the Reformed Church in America, the task is to equip its congregations for effective ministry - following Jesus Christ in mission to a lost and broken world so loved by God - throughout the region of Central California.
